Breaking Bad Emmy-winner [Aaron Paul](#) has joined the cast of Miramax's supernatural thriller [The 9th Life Of Louis Drax](#), directed by *Horns'* Alexandre Aja. He'll play Peter, Louis Drax's father, who becomes the target of a criminal investigation when his young son is injured in an accident. Back in August, Miramax set *Fifty Shades Of Grey's* Jamie Dornan to star as Dr. Allan Pascal, the doctor investigating the strange circumstances of the boy's accident who is drawn into a thrilling mystery, testing the boundaries of fantasy and reality. The adaptation of Liz Jensen's bestselling novel is produced by AntColony Films' Tim Bricknell and Brightlight Pictures' Max Minghella, who scripted. Shawn Williamson and Aja will also produce. Rosanne Korenberg is exec producer. Filming begins next month in Vancouver. Paul is repped by United Talent Agency (UTA) and Leverage Management.
