There is news about [Haters Back Off](#), Netflix's eight-episode series starring top YouTube personality [Colleen Ballinger](#), and just like any other announcement on the project, actress-comedian-singer Ballinger did it herself in a YouTube video. The video revealed that *Haters Back Off* will debut October 14 on the streaming service. Based on Ballinger's most popular character, *Haters Back Off* delves into the oddball family life of [Miranda Sings](#), an incredibly confident, totally untalented star on the rise who continues to fail upward by the power of her belief that she was born famous, it's just no one knows it yet. Steve Little (*Eastbound & Down*) plays Miranda's overly confident and utterly misguided Uncle Jim, Angela Kinsey (*The Office*) is Miranda's mom, Bethany, and Erik Stocklin, Miranda's neighbor and best friend, Patrick.

Colleen Ballinger, Christopher Ballinger, Perry Rein, Gigi McCreery, Jeff Kwatinetz and Josh Barry serve as executive producers on the series, from Brightlight Pictures.
