

Meet Miranda Sings in Netflix's "Haters Back Off" Featurette

The face, the voice, the talent — THE Miranda Sings — has a show and it's coming to you SOON!

Thankfully, because they're our baes (where our baes at?) Netflix has dropped the featurette for the new Netflix original series, *Haters Back Off!*

All eight episodes of the series — based on Colleen Ballinger's iconic character — will premiere globally on October 14 at 12:01am PST exclusively on Netflix, and will give us some serious insight on the

oddball family life of Miranda Sings. You know, YouTuber's favourite confident totally untalented star on the rise — who we get to see continue to fail upward, fuelled by her belief that she was BORN to be famous — just know one else knows it yet.

The series will star Colleen Ballinger as Miranda Sings, Angela Kinsey (*The Office*) as her mom, Steve Little (*Eastbound & Down*) as Miranda's iconic — and both overly confident and misguided — Uncle Jim, and Erik Stocklin as Patrick — Miranda's neighbor and best friend.

Executive produced by Colleen Ballinger, Christopher Ballinger, Perry Rein, Gigi McCreery, Jeff Kwatinetz and Josh Barry, *Haters Back Off!* is produced by Brightlight Pictures.
