Not every Netflix show is an immediate hit. And there are quite a few original [streaming series](#) that aren't getting the same kind of attention as *Stranger Things*, *Orange is the New Black* and *House of Cards*. But if one thing is for sure, *Miranda Sings* has already carved out quite a strong fan base. And her new sitcom is destined to become a cult

sensation, however underground it may turn out to be.

Today, Netflix has released a special sneak peek at *Haters Back Off*. You can check out this special featurette right here, in all its whacked out glory. The new [Netflix original](#) series *Haters Back Off!* promises to be one of this fall's most exciting and unique series. All eight (8) episodes will premiere globally on October 14 at 12:01am PST exclusively on Netflix.

Based on the character created by Colleen Ballinger, *Haters Back Off!* delves into the [oddball family life](#) of Miranda Sings. An incredibly confident, totally untalented star on the rise, Sings continues to fail upward by the power of her belief that she was born famous. It's just no one knows it yet.

The series stars Colleen Ballinger as [Miranda Sings](#), Steve Little (*Eastbound & Down*) as Miranda's overly confident and utterly misguided Uncle Jim and Angela Kinsey (*The Office*) as Miranda's mom, Bethany. Erik Stocklin also stars as Miranda's neighbor and best friend, Patrick. And there will be plenty of guest stars showing up (perhaps self-proclaimed fan [Jerry Seinfeld](#) might even drop by?).

Colleen Ballinger, Christopher Ballinger, Perry Rein, Gigi McCreery, Jeff Kwatinetz and Josh Barry serve as Executive Producers on the series. *Haters Back Off!* is produced by Brightlight Pictures. Take a look and hold on. This is going to be one weird, wild and wacky ride courtesy of [Netflix!](#)
