A promotional banner for an mbna Platinum Plus MasterCard. It features the mbna logo, the offer '0% For 12 Months', and a red 'Apply Now' button. To the right is an image of the credit card with the number 5412 7534 5678 9123 and the MasterCard logo.

The Synopsis From The Official [Facebook Page](#):

It's the summer of 1984, the perfect time to be 14 years old and fre neighborhood conspiracy theorist Davey Armstrong begins to suspect fideis neighbor might be the serial killer all over the local news, he and hi begin an investigation that soon turns dangerous.

Brightlight Pictures (*White Noise*) and Gunpowder & Sky (*Hounds of Love*) are Producing.

Brightlight announced the project in a [Press Release back in May](#). Van Toffler, CEO, and co-founder of Gunpowder & Sky describes **Summer of '84**...

“How could we not bet on a writer as ~~straight~~ ~~outta~~ Compton and the directors of Turbo Kid to tell a twisted tale about a peaceful community killer threatens to shatter the suburban dream? It’s a bold, unexpected breakthrough filmmakers, and it’s exactly the kind of novel film we wanted Gunpowder & Sky.”

François Simard, Anouk Whissell, and Yoann-Karl Whissell, the Directors, collectively known, as RKSS, were also quoted in the press release:

*“We were passionate about **Summer Of '84** since the very first pitch. Our love with the script and felt like it was written just for us. There was no doubt in our mind that we needed to get attached to this amazing project and work with the talented writers who imagined it all.”*

They're excited. The Producers are excited. As someone who grew up in the 1980's and is a big fan of 1980's horror, *I* couldn't be MORE excited!

How could you *NOT* be excited for this *Stranger Things* inspired shocker???

We will, of course, keep you up to date on all things **Summer of '84** as we hear more. In the meantime, you can check them out on [Facebook](#), [Instagram](#), and [Twitter](#). They are all over social media!

Are you excited for **Summer of '84**? Let us know what you think in the comments!
